Systems Council Member Activities

Rich Hochberg

28 September 2015

Rome Italy

Systems Chapters

- Costal Los Angeles Section Chapter (R6)
  - Chair: Hen-Geul Yeh

- Italy Section Chapter (R8)
  - Stefano Ferrari

Systems Joint Chapters
(Per IEEE)

- South Africa Section Joint Chapter (R8)
  - Systems Council/Technology and Engineering Management Society
  - Chair: George Thopil
- Shanghai Section Joint Chapter (R10)
  - Systems Council/Antennas and Propagation Society
  - Chair: Melsong Tong
- Toronto Section Chapter (R7)
  - Systems Council/Systems, Man and Cybernetics Society
  - Chair: Alexel Botchikarev

Joint Chapter Societies

- Systems, Man and Cybernetics Society (SMC28)

- Technology and Engineering Management Society(TEM14)

- Antennas and Propagation Society (AP03)

Unofficial Systems Chapters (Not in IEEE System)

- Connecticut Section/AESS Chapter
  - Lots of discussions, no positive move forward
  - No prior approvals or documentation

- China-Tainan Section ?
  - No Point-of-Contact Available

How to Start Chapter

- Petition to IEEE from at least 12 IEEE members to form Systems Chapter, or joint Chapter/Section.

  – Members (to include student members) can be split among organizations.

- Requires Business Plan, a brief summary of organizers goals and objectives for the Chapter.

- Submit to IEEE Members and Geographic Activities (MGA) staff

Reports Submitted

- **Costal Los Angeles Section Chapter (R6)**

- **Toronto Section Chapter (R7)**
